CASEY ROWAN

Product Designer

Austin, TX · casey.rowan@example.com · portfolio.example

PROFILE

Product designer focused on accessible interfaces and clear design systems.

EXPERIENCE

Northstar Studio · Product Designer

2021 – Present | Fictional employer

- Designed accessible onboarding flows for a fictional scheduling product.
- Built a reusable design system in Figma with engineering partners.
- Used customer interviews and prototypes to improve feature clarity.
- Documented interaction patterns and design decisions for product teams.

Orbit Collective · Associate Designer

2019 – 2021 | Fictional employer

- Created wireframes and prototypes for responsive web experiences.
- Collaborated with developers to review usability and visual details.

SKILLS

Product design · Figma · Prototyping · Accessibility · Design systems
